

Thriving Village Ministry Newsletters:

Dear brother Fernando and Sis. Julieta,
Shalom! First of all thank you very much for sending support regularly. We are very much appreciating for that. I hope you are doing well. We are fine. Our son Benjamin is 19 months old. He is enjoying Gorkha playing with new friends. We are in Gorkha now helping the community. We went Kathmandu for week than back to Gorkha. We will be back after Christmas. Curently Disciples making movement and Bible distribution is going on. Also follow up animal husbandry ministry too.

Maina's Story: Her name is Maina lama. She is mother of six children. But her husband die by kidney cancer. Her all children settle in city and left her at village alone. She felt lonely and helpless. When she visit her filed /land saw green grass(cattle feeding grass) her eyes full by tears because she doesn't have cattle. She was praying to God for help. God is faithful and he provided one buffalo. She is very thankful God for his faithfulness. She will have income generating through it. We are staying with her and may God continually bless her all situation of her life.

Community goat center: In nepal half of village family member migrated into city to find a job to survive their family and to find their future and career. This community goat farm/center Where community members find jobs. We are trying to creating job of community. Currently two members are working. And we want to provide more opportunity in future for other members too. Also they will have a bigger vision when they see this center; It will play a big role to provide needed help for communities to grow their cattle properly.

Also when this community goat center becomes a profitable farm, we want to donate for other areas of community needs. There are 42 goats in the community goat center.

We are taking God's love and power of transformation by doing good work into community.

Disciples Making Movement:

We are running disciples making fellowship and bible distribution to remote gorkha . We are also distributing audio bible device for those who unable to read bible. This audio device is very effective.

Women Pads Distribution:

Indu taught about how to make re-use pad and provided pads as a gift

We church family having meeting about how to celebrate upcoming christmas . We are planning to invite Hindu and Buddhist neighbor around us and celebrate together with them. Also want to provide warm shoe as a christmas gift for villagers children . We are praying and trusting God for needed provision for this event.

Thank you very much dear Brother Fernando for sending continually support. Your's support cover our needs and create opportunity to spend our life for God's work. Also praying financial breakthrough of your life too. I believe our father God can do it. He is faithful . I will send continually ministry newsletters. Please convey our greetings to Sister Julieta. We love you brother . Thank you for standing with by sending support.

God bless

With love and prayer
